

Citations / mentions of special interest (book, chapters, articles and datasets) - Summary

Citations or mentions in:	indicator of	Source	Alternative source(s)	Guidance on finding altmetrics
(systematic) reviews	rigor / transparency / usability	Web of Science / Scopus / Lens: search for publication - link to Cited by - filter on reviews		Reviews that cite your work (WoS) https://vimeo.com/763350812
blogs	early evidence of impact (may be exaggerated for outputs with peripherally attractive features, such as funny titles).	PlumX (via Pure or Scopus) or Altmetric Explorer	search for title in quotes in conjunction with keyword 'blog'	Mentions in other sources than scholarly literature https://vimeo.com/763350732 Find altmetrics for your publication https://vimeo.com/763350428 The value and limitations of Altmetric.com https://vimeo.com/763351101
patents	societal / commercial impact	PlumX (via Pure or Scopus) / Altmetric Explorer / Lens	Web of Science / Scopus: search for publication - link to Cited by - filter on patents	Altmetric mentions in patents and policy documents https://vimeo.com/763350165 Mentions in other sources than scholarly literature https://vimeo.com/763350732 Find altmetrics for your publication https://vimeo.com/763350428 The value and limitations of Altmetric.com https://vimeo.com/763351101
clinical guidelines	impact on clinical practice	PlumX		Using PlumX for clinical citations https://vimeo.com/763351189
policy documents	governmental impact	PlumX (via Pure or Scopus) or Altmetric Explorer		Altmetric mentions in patents and policy documents https://vimeo.com/763350165 Mentions in other sources than scholarly literature https://vimeo.com/763350732 Find altmetrics for your publication https://vimeo.com/763350428 The value and limitations of Altmetric.com https://vimeo.com/763351101
Wikipedia entries	educational / societal impact	PlumX (via Pure or Scopus) or Altmetric Explorer		Mentions in other sources than scholarly literature https://vimeo.com/763350732 Find altmetrics for your publication https://vimeo.com/763350428 The value and limitations of Altmetric.com https://vimeo.com/763351101

Citations or mentions in:	indicator of	Source	Alternative source(s)	Guidance on finding altmetrics
online syllabi	Educational use / value	Altmetric Explorer	Search for title in quotes, together with the phrase "reading list" or the keyword syllabus. However, most academic course syllabuses are not online and so this method will identify only a tiny proportion of the syllabuses produced by the world's universities.	Mentions in other sources than scholarly literature https://vimeo.com/763350732 Find altmetrics for your publication https://vimeo.com/763350428 The value and limitations of Altmetric.com https://vimeo.com/763351101
Mendely readers	early scholarly attention	PlumX (via Pure or Scopus) or Altmetric Explorer		Mentions in other sources than scholarly literature https://vimeo.com/763350732 Find altmetrics for your publication https://vimeo.com/763350428 The value and limitations of Altmetric.com https://vimeo.com/763351101
reprints	academic impact / Open Science	<p>Google Scholar: search for publication - link to citing records - search within Citing records with keyword "preprint" (not fool proof, check manually)</p> <p>Dimensions / Lens: search for publication - link to Citing records - filter on preprint</p>		
post-publication peer-review forums	hidden impact based on review forum	Altmetric Explorer	<p>Faculty Opinions (also available in Altmetric Explorer) (restricted to biomedical research)</p> <p>Pubpeer or Publons</p>	Mentions in other sources than scholarly literature https://vimeo.com/763350732 Find altmetrics for your publication https://vimeo.com/763350428 The value and limitations of Altmetric.com https://vimeo.com/763351101
